April 12, 2017

Dear CTAC Members and Friends:

Enclosed please find a copy of the draft agenda for the next meeting of the Source Water Assessment and Protection Program's Citizen and Technical Advisory Committee (CTAC) which is scheduled for:

Wednesday May 10, 2017

**From 9 to 12:00
Conference Room 220 A&B
Kent County Administration Building
Bay Road
Dover, Delaware.**

At this meeting we will have program updates for the committee. Presentations have been scheduled on the following topics:

- David Wunsch, State Geologist and Director of the Delaware Geological Survey, will present on Water Supply Issues in the Delaware River System;
- Scott Andres of the Delaware Geological Survey will provide a presentation on Delaware's Groundwater and Surface Water Monitoring Infrastructure Improvements; and
- Andrew Homsey of the Water Resources Agency at the University of Delaware will present on the updates to the surface water source water assessments being done for the City of Wilmington, City of Newark, and SUEZ Water - Delaware.

If you should have any questions regarding the upcoming meeting or if you have any items you feel that need to be brought before the CTAC please do not hesitate to call Anita Beckel or myself at (302) 739-9945.

We look forward to seeing you on May 10th at the meeting.

Sincerely,

Douglas E. Rambo, P.G.

Hydrologist
