April 11, 2018

Dear CTAC Members and Friends:

Enclosed please find a copy of the draft agenda for the next meeting of the Source Water Assessment and Protection Program's Citizen and Technical Advisory Committee (CTAC) which is scheduled for:

Wednesday May 2, 2018

**From 9 to 12:00
Conference Room 220 A&B
Kent County Administration Building
Bay Road
Dover, Delaware.**

At this meeting we will have program updates for the committee. Presentations have been scheduled on the following topics:

- Todd Keyser, DNREC Division of Waste and Hazardous Substances (DWHS), will discuss the DWHS Policy on Perfluoralkyl/Polyfluoralkyl Substances (PFAS);
- Jamie Bethard, DNREC DWHS Emergency Prevention and Response Section, will detail the Emergency Response to the Town of Blades Public Water System PFAS Incident; and
- Rick Galloway, DNREC DWHS Site Investigation and Restoration Section, will detail the Private Well Sampling Response to the Town of Blades PFAS Incident.

If you should have any questions regarding the upcoming meeting or if you have any items you feel that need to be brought before the CTAC please do not hesitate to call me at (302) 739-9945.

We look forward to seeing you on May 2nd at the meeting.

Sincerely,

Douglas E. Rambo, P.G.

Hydrologist IV
